Due to the restrictions placed upon us by the Corona virus, the 2020 Midwest Division Conference in Wichita has been **CANCELLED**. The Wichita location has been rescheduled and now will become the location for the Spring Conference April 16 17, 2021. The location will be the Same hotel, Best Western Hotel, Wichita, KS. All options and special requests will carry over to next year. Arrangements have been made with the hotel with these options:

- You may cancel your current reservations at this time
- If you desire the hotel will keep your reservation and transfer it to the 2021 date.
- Room rate will remain the same, \$92.99 per day

The 2020 Spring Conference was the conference where a new NVC and ADVN were to be elected for the next term. Due to the virus problems the election of the new NVC and ADVN will be pushed to the 2020 Fall Conference scheduled for Jefferson City, Mo. Jr. Past NVC Dave Hunter will soon released information regarding the specifics for the conference.

With no opportunity to hold an election involving all department's, I would remain the MWD NVC until the Fall Conference in Jefferson City. The election would take place at the end of business as required and the installation would be administered by PNC Webb.

We currently do not know how this virus will work out. Depending on which agency you listen to restrictions may last until September 2020 or beyond. To date world wide it has been reported to cover over 200,000 cases with more reported ever hour. We simply do not know the how or when this will end.

It is my wish that all our members and our families remain free of this virus and come out unharmed. We will adapt and overcome.

Sorry for any inconvenience this may have caused, but it is unavoidable. Please get this information to each of your detachments.

Semper Fidelis,

Harvey Harris

I would like to amplify what NVC Harris said about the conference registration and my function. First of all I have nothing to do with the Hotel reservations so you will have to take that up with the Hotel yourself.

The Wichita location has been rescheduled and now will become the location for the Spring Conference April 16 17, 2021. The location will be the Same hotel, Best Western Hotel, Wichita, KS. All options and special requests will carry over to next year. Arrangements have been made with the hotel with these options:

- Room rate will remain the same, \$92.99 per day
- Hotel Phone # 316-832-9387

Now for the Conference:

If you are paid and pre-registered with the Air Capitol Detachment for the Spring Conference this year and wish to remain paid and pre-registered for the Spring 2001 conference do nothing and I will carry every thing forward. If you wish to cancel let me know and I will refund your deposit in full. If you are not sure let it ride. I will accept cancellations and modifications up to the 1st of April 2021 without question so there is no need to get in a hurry.

Again thanks to NVC Harris for all he does and hope to see you next fall in Jefferson City and in the spring back here in Wichita.
